

# **The Safe House – WISH LIST**

**The Essex chapter of NJAWBO is a longtime supporter of The Safe House, an Essex County haven for battered women and their children that provides temporary safe housing, counseling, legal, and advocacy support services, emergency medical treatment and much more. Safe House needs your help!**

Aside from monetary donations, The Safe House has a great need for the items listed below. Any donation will help provide families, who are victims of Domestic Violence, with the basic comforts of home at a time when they are virtually homeless. It is only through the kindness and generosity of organizations and individuals that we are able to meet the many and varied needs of our sheltered women and children. Please keep in mind that The Safe House provides services to a diverse and multi-cultural population.

Below I have listed a general “wish list” of the most requested items but feel free to use your own ideas.

The Safe House also accepts donations of used CLOTHING for women and children and small used HOUSEHOLD items such as utensils, dishes, pots and pans, lamps, sheets, towels, blankets and comforters to assist our clients in setting up their new apartments. These items are collected on an as needed basis. **(Please call before donating these items)**

The Safe House also collects donations of used CELL PHONES. These cell phones are programmed for "911" use for our clients and any overflow of phones we send to a refurbishing company as an ongoing fundraiser.

**\*\* DONATIONS CAN BE PICKED UP OR DROPPED OFF\*\***
